## Expressing Opinions in IELTS Speaking

### Lesson 8

**Expressing opinions** or giving your thoughts is an important part of the IELTS speaking test, especially in part 3 when you have a 2-way discussion with the examiner.

By justifying your opinion you will be **extending your response** and making sure you are having a proper discussion with the examiner which you need to do in part 3.

In this lesson we'll look at some ways to express your opinions and justify them.
