

Practice Test 100

In the Listening Test 100, you will hear 4 audio recordings and answer questions 1-40 based on said recordings.

Section 1 is a telephone conversation between an overseas student and a group of people discussing an international conference on computing technology.

Section 2 is a guide talking about cooking ginger on the radio broadcast.

Section 3 is an interview about global warming.

Section 4 is an extract from a talk about preventive medicine and how students can look after their own health.
